

WAMBO MARCH 2009 RECAP

Supreme Health and Fitness hosted the 32nd Annual WAMBO tournament on March 21st and 22nd. The 2009 edition of the tournament was the largest draw in several years bringing in players from all over the state as well as a great group of Supreme players to compete for titles in several divisions. Supreme members did an awesome job of holding serve, putting our home court advantage to good use and placing well in several divisions. I also want to thank tourney sponsor Peter Fauerbach (Fauerbach Brewery) for providing the means for celebrating some hard fought victories in style. Thanks to everyone who played in the event.
